

# COLORADO LION PIN TRADING CLUB

## Campaign SightFirst II Project

The Board of Directors of the Pin Traders Club of Colorado (CLPTC) has voted to support LITPC President Larry Shaull and the LITPC project on SightFirst II. Information about the program can be obtained by going to the LITPC website at LITPC.org. President Shaull's idea is to raise \$50,000.00 for Campaign SightFirst II with special projects conducted by each of the individual pin trading clubs. This is Colorado's beginning effort to help support the worthwhile project. The 5 animals pictured below are miniatures of the state pins produced from 1978 through 1982. All profit will go to Campaign SightFirst II. The five (5) pin painted set will be offered for \$20.00 plus \$3.00 shipping and handling fee. The five (5) pin gold set will be offered for \$30.00 plus \$3.00 shipping and handling fee or both sets for \$50.00 plus \$4.00 shipping and handling fee. Please complete the form below as the pins are on order and will shipped upon arrival.
